LITHUANIAN SCOUTS CELEBRATING 100TH ANNIVERSARY!

October, 2017

Dear Friends,

The Lithuanian Scout movement began in Vilnius in 1918. For a century, thousands of young Lithuanians in Australia, Europe, North America and South America have participated in our scouting programs. This scouting tradition continues today, encouraging principled citizenship and leadership skills in local communities and within Lithuanian organizations.

In 2018, Lithuanian Scouts will commemorate their 100th Anniversary with three Jamborees to be held on three continents:

- | | |
|-----------------------------|-----------------------------|
| • January 2 – 12 | Melbourne, Australia |
| • July 14 – 21 | Rumšiškės, Lithuania |
| • July 28 – August 8 | Custer, Michigan USA |

Planning for our centennial is well underway. Along with our fellow scouts in Lithuania, we have developed a joint 100th Anniversary of Lithuanian Scouting emblem (top left). The North American Jamboree emblem is at the top right. We received over a dozen international submissions for our joint Jamboree song contest, from which we selected two winning entries: Lithuanian Scouts Association, Australia region's submission "Hundred Years" and Lithuania's "Let's Sing A Song of Lithuania". Both winning songs may be found here: <http://skautai.net/tautine-stovykla/sukis-ir-daina/>. Additionally, we are jointly publishing a commemorative book entitled *Scouting in the Baltic Countries. History in philately*.

You may be a camper, a staffer, a parent, a friend, or a loyal supporter. Or you may be a long-ago scout with great memories of your scouting days and camp friends. We ask for your support in commemorating this historic event. Your contributions will be used for our 100th anniversary publications and to offset a portion of the North American Jamboree's program expenses. We invite you to join our family of donors!
